

Burning off green waste, treated materials, rubber, plastics & household rubbish can cause smoke that can be toxic for you and your neighbours.

**ONLY  
SHARE  
HEALTHY  
AIR**

**X DO NOT BURN**

Treated & painted timbers

Household Rubbish

Old shoes, clothes towels & fabrics

Tyres, bikes & old toys

Plastics, tins, cans, bottles etc.

Freshly cut or green garden clippings

Paint tins, chemicals, cooking & engine oils

If you are unsure, phone **6393 5300** before burning anything in your backyard.
