## MISSED COLLECTIONS, DAMAGED BINS & OTHER ENQUIRIES

Check out the Waste & Recycling section on our website at *meander.tas.gov.au/waste-recycling*. It's full of helpful information on waste management.

Report a missed collection or damaged bin to Council, contact us by: **E**: mail@mvc.tas.gov.au **P**: 03 6393 5300

Collection schedules can also be checked online via our Recycle Coach app! Scan here.

DO place your bins out BEFORE 6am on your collection day.

DON'T place your bins behind parked cars or other obstructions.

DO leave at least one metre (1m) of space between bins if placing out more than one.

DON'T overfill your bin: the maximum weight of your bin must be under 80kgs or we can't tip it!

> Bins will be collected as scheduled on public holidays.
